The Substance Use Disorder Treatment Program's (SUDTP) mission is to provide Veteran centered, evidence based, state of the art, high quality outpatient rehabilitation and treatment services for Veterans with substance use disorders.

This pilot project aims to have Dine' veterans participate in substance use outpatient services via VA Video Connect (VVC). This veteran group will focus on providing the culture and value needs from Phoenix to the Dine' Nation.

SUDTP incorporates the VHA core values that include:

- I**ntegrity,
- C**ommitment,
- A**dvocacy,
- R**espect,
- E**xcellence

(ICARE) into recovery.
